

The SAN DIEGO CHORUS of Sweet Adelines International is one of the largest and most dynamic chapters of Sweet Adelines, a non-profit international women's organization with over 650 choruses in the United States, Canada, the United Kingdom, Finland, Germany, Sweden, the Netherlands, Australia, New Zealand and Japan. Locally we strive to preserve the uniquely American art form of four-part acappella harmony, popularly known as barbershop style singing.

Barbershop harmony is an American musical art form and a surprising variety of music has been arranged for performance in the barbershop style. The unaccompanied vocal harmonies created by the SAN DIEGO CHORUS are instantly recognizable and uniquely enjoyable.

Our 53-year history in San Diego has been marked by more awards, medals, and prizes than any local sports team, and most likely any other COMPETING entity. With a highly trained and competitive membership of 100+ women from every part of this county, we continually strive for excellence. In our Sweet Adeline region, which extends from El Paso, Texas to southern California, we have won more gold medals than any other regional chorus. At international competition, held yearly with both national and international competitors, we hold numerous titles, including those for first, second, third, and fifth place.

Offering an exciting repertoire of songs complete with costumes, stage makeup and choreography, the SAN DIEGO CHORUS entertains regularly at civic functions, charitable events, private parties and seasonal gatherings. Members serenade at Valentines Day, through the December holidays and for other special occasions.

The SAN DIEGO CHORUS is available to sing for you. We can accommodate your special needs with a mini-chorus, double quartet or quartet.
